Dear Judge Maddox:

In response to your letter Order dated January 10, 2023, and subsequent order on January 17, 2023 I have conferred with my clients. Subject to any valid and substantive objections, the garnishees will supply responsive documentation in their possession to Plaintiff's Request For Production of Documents within the next 30-45 days. Should there any challenges to producing relevant documentation within that time, Garnishees will confer with Plaintiff.

Respectfully submitted,
